PROFILE

Results-driven Accounts Payable Professional with 5+ years of experience in Procure-to-Pay (P2P) operations, specializing in Accounts Payable (AP) inquiries, invoice processing, vendor reconciliation, and invoice/payment query resolution. Experienced in working with SAP ERP, SAP Ariba, and OpenText Vendor Invoice Management (VIM) to investigate and resolve invoice discrepancies, payment issues, and vendor escalations while ensuring SLA compliance. Skilled in collaborating with vendors and cross-functional teams to deliver timely resolutions, improve operational efficiency, and maintain high standards of accuracy, compliance, and customer service.

WORK EXPERIENCE

Lennox India Technology Centre

Sr. Business Support Professional

Jan 2025 – Present

- Managed vendor and internal stakeholder queries related to invoice status, payment status, remittance details, and account balances, ensuring timely resolution within SLA.
- Investigated and resolved invoice and payment discrepancies using SAP Ariba and SAP ERP, including invoice exceptions and blocked invoices.
- Monitored invoice processing through SAP Ariba and collaborated with vendors, buyers, approvers, and business users to resolve invoice holds, approval delays, and PO-related issues.
- Performed vendor statement reconciliations, resolving outstanding invoices, credits, payment discrepancies, and aging items to maintain accurate accounts.
- Analyzed and resolved invoice exceptions, including missing PO, missing GR, price mismatches, and blocked invoices, while ensuring compliance with Accounts Payable policies and procurement processes.
- Generated operational reports and maintained trackers to monitor query resolution, vendor performance.

KG Invicta Services

Senior Process Associate

Mar 2021 – Dec 2023

- Processed end-to-end PO invoices, Non-PO invoices, freight invoices, credit notes, and debit notes, ensuring timely and accurate Accounts Payable operations.
- Reviewed and validated supplier invoices using 2-way and 3-way matching, ensuring compliance with procurement policies and payment accuracy.
- Performed vendor statement reconciliations, followed up on missing invoices and credit memos, and resolved discrepancies to maintain accurate accounts.
- Handled vendor queries by providing invoice status and remittance details, maintained credit trackers, and ensured timely resolution of payment-related issues.
